

OSU-STILLWATER COMMUNITY TRANSIT SYSTEM

PARATRANSIT ELIGIBILITY APPLICATION

The Bus, Stillwater's public transportation system, provides fixed route service to all of the citizens of Stillwater. **Every bus** is equipped with a lift for those passengers that can not negotiate the steps on the buses. **The Bus** also offers a Paratransit service, which provides **curb-to-curb** service (as modified by FTA guidance for origin to destination for individuals who can not use fixed-route service to make their trips). To be eligible for this service, functional limitations of an individual's disability must prevent use of a regular fixed-route service. Age, distance to a bus stop or inability to drive, by themselves, are not taken into consideration in determining eligibility. While your doctor's verification of need is required for application, the final determination of eligibility will be made by the Paratransit ADA Certification.

Applicants for Paratransit service should complete Section I, Parts A through C. They should then provide their physician with Part D, to be completed by them and returned to applicant.

If you are able to use the fixed route bus system, but wish to apply for a disability card to receive reduced fares and priority seating, please complete the Disability card eligibility application in Part E.

Parts A through D, **along with a photocopy of a picture ID**, should be returned to:

Dear Health Care Professional:

You are being asked by _____ to provide information

The information you provide will allow us to evaluate this request and its application to specific trip requests. Certification to use this service will not be based solely on your verification in this document. Thank you for your cooperation in this matter.

To qualify for Paratransit services, a person must be unable to use regular public transit due to physical or cognitive disability. Individuals qualify if:

PLEASE NOTE: This does not include persons who find it uncomfortable, inconvenient, or difficult to get to and from bus stops.

Resources for this program are limited and your evaluation of each person must be based solely upon the individual's ability to use regular transit. Your verification should consider only presence of a disabling condition, not the applicant's age or economic status. Please exercise care in evaluating applicants for this program.
